Overall Length:

17.000 inches

Overall Height:

5.000 inches

Overall Width:

15.000 inches

End Application:

Arm decoy an/tlq-32

Special Features:

550v power supply test fixture

Functional Description:

Provides all dc voltages required o test 550 volt power supply outside system

Supplementary Features:

Power supply test fixture for 253390-1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A537k0
