Overall Length:

17.000 inches

Overall Height:

4.250 inches

Overall Width:

16.750 inches

Indicator Type:

Digital display

Installation Design:

Bench

Display Type:

Light emitting diode

Display Digit Quantity:

6-1/2

Measurement Range:

+0.1/+1000.0 volts, dc single indicator single range

Special Features:

Interface ieee-488 option

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A310a0
