**Overall Length:**

16.000 inches

**Overall Height:**

5.000 inches

**Overall Width:**

10.000 inches

**End Application:**

Application data ifte cee

**Test Item Connection Method:**

Connector

**Special Features:**

Requested name interface test adapter

**Special Test Features:**

Unit must successfully complete one go-chain utilizing associated test program 3sra18a

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A537k0
