Overall Length:

7.130 inches

Overall Height:

1.520 inches

Overall Width:

6.690 inches

Indicator Type:

Dial w/pointer

Installation Design:

Bench or cabinet or rack

Background Color:

Red single indicator single range

Scale Marking:

Numerical with pointer position bottom right

Mounting Facility Type And Quantity:

4 terminal

Special Features:

Vertical position, 4 to 20 dc milliamp input

Material:

Steel and glass

Style Designator:

Rectangular surface mtg

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A310a0
