

View Online at <https://aerobasegroup.com/nsn/6625-01-461-5462>

Frequency Rating:

Between 5.0 megahertz and 3300.0 megahertz

Special Features:

6tests rf transmission lines and antennas; 5 mhz to 18 ghz; synthesizer accurate to 75 ppm; internal memory saves up to 70 traces; hand-held; windows compatible software program provided; direct printing and remote operation via rs-232 serial port

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T263-c
