**End Application:**

Gen-ap=t

**Special Features:**

Rperforms all standard transmission tests and provides diapulse signaling, dtmf signaling, mf signaling, monitor, talk and 4s232 remote control. Operating bandwith is 20hz to 200khz. If batter pack req'd order p/n 240017

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

T228-a
