Cross Sectional Shape:

Round

Termination Type:

Connector plug 2nd end single conductor

Leadlength:

12.000 inches

Special Features:

Alligator clip has insulator sleeve; plug end is stackable banana type; voltage rating, 45 volts; current rating, 5 amps

Color:

Black 1st position primary insulation cord

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A077a0
