## Cross Sectional Shape:

Round

# **Termination Type:**

Connector plug 2nd end single conductor

## Leadlength:

12.000 inches

## **Special Features:**

Alligator clip has insulator sleeve; plug end is stackable banana type; voltage rating, 45 volts; current rating, 5 amps

#### Color:

Black 1st position primary insulation cord

## Shelf Life:

N/a

# Unit Of Measure:

Demilitarization:

#### No
