Overall Length:

4.700 inches

Overall Height:

1.400 inches

Overall Width:

3.000 inches

Voltage In Volts And Current Type:

240.0 ac

Special Features:

Hard disk 5 megabytes ; ieee 488 compatible; operating temp. 0 to 45 degc; operates up to 6500 ft. Altitude; power consumption 5 volts dc at 30 ampres; line frequency 50 to 60 hertz; network capability with 10baset, rj-45 connector; ibm pc compatible with windows 95/98 or nt 4.0 operating system

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
