

View Online at <https://aerobasegroup.com/nsn/6625-01-493-9477>

Special Features:

225 mhz bandwidth; 10-12 digit resolution with 1s gate time; hp-ib interface standard; measurement include frequency, period, ratio, time interval plus width rise/fall time, phase angleduty cycle, totalize, and peak voltage

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T297-a
