Circuit Current For Which Designed:

Ac and dc

Indicator Type:

Digital display and bargraph

Installation Design:

Hand held

Background Color:

Silver single indicator all ranges

Power Source:

Internal

Display Type:

Liquid crystal

Display Digit Quantity:

4-1/2

Special Features:

Ac/dc true-rms multi clamp meter; functions ac/dc volts, ac/dc current, frequency and ohms.

Style Designator:

Clamp-on

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A310a0
