**End Application:**

6625-01-466-5359

**Usage Design:**

Used to test and fault isolate the adr to a faulty sra

**Product Name:**

Adr tps hardware, ai

**Special Features:**

Operates on mite station, used at nask only

**Fsc Application Data:**

Test set, electronic

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A51110
