End Application:

6625-01-466-5359

Usage Design:

Used to test and fault isolate the adr to a faulty sra

Product Name:

Adr tps hardware, ai

Special Features:

Operates on mite station, used at nask only

Fsc Application Data:

Test set, electronic

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A51110
