

View Online at <https://aerobasegroup.com/nsn/6625-01-502-3375>

Special Features:

Wireless; dc to 8 ghz coverage - seamless capture and vector span is up to 30 mhz; 65db aclr measurement; code domain power and complementary cumulative distribution function for is-95, w-cdma signals; analyzes in frequency, time and modulation domain; seamless acquisition for capture and short duration or intermittent events; frequency event trigger for acquisition of burst or infrequently occurring signals; post capture 1000: 1 zoom; support demodulation - gfsk, bpsk, qpsk, dqpsk, 8psk, 0qpsk, 16qam, 64qam, 2561am, gmsk; ccdf for multi-carrier and w-cdma signals

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
