**End Application:**

5 k fuel tanker

**Electrical Power Source Relationship:**

Operating

**Internal Battery Accommodation:**

Included

**Test Type For Which Designed:**

Truck overfill protection system

**Special Features:**

Supplied accessories part h50308 test lead 1391 2 wire; part d40028 test lead 1391 4 wire; part h50325 test lead 1391 rom therm output with probe; part h50357m battery 9 volt alkaline qty of 2 installed.

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T228-a
