**Overall Length:**

0.175 inches

**Overall Height:**

0.040 inches

**Overall Width:**

0.157 inches

**Current Rating And Type:**

2.5 amperes ac

**Special Features:**

Mfg name: shunt, insulated

**Precious Material And Location:**

Contact plating gold

**Supplementary Features:**

Contact resistance: 10 milliohm max; lead size: .018 inch square; insertion depth: .0135 inch

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A33500
