Voltage Calibrator - Page 1 of 1

T263-b

View Online at https://aerobasegroup.com/nsn/6625-01-520-6608

End Application:
Test set equipment
Special Features:
Five-function calibrator; they source direct and alternating voltage and current and resistance
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
