End Application:

Misc parts lighting systems lpd 0017 lpd 0018

Special Features:

8operating voltage 50 or 60 hz; automatic and manual self-test and self-calibration; digital and analog display; unique audible alarm; ul component recognized and csa classified; microprocessor controlled circuitry for highest accuracy and stability

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23900
