**End Application:**

Misc parts lighting systems lpd 0017 lpd 0018

**Special Features:**

8operating voltage 50 or 60 hz; automatic and manual self-test and self-calibration; digital and analog display; unique audible alarm; ul component recognized and csa classified; microprocessor controlled circuitry for highest accuracy and stability

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A23900
