**Overall Length:**

15.000 inches

**Overall Height:**

3.500 inches

**Wattage Rating:**

40.000 watts

**Voltage In Volts And Current Type:**

250.0 ac-peak

**Special Features:**

Capacitance standard frame contains from one to 4 ah 11a fused-silics capacitance standard

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No
