Tip Termination Type:

Probe

Tip Replaceability Feature:

Not included

Special Features:

Low spring force; 1m at 0.160 fatigue life; average resistance at 250mv 11 milliohms; no probe lubrication

Precious Material And Location:

Plated outside diameter gold

Precious Material:

Gold

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T228-h
