**Major Components:**

Extender card, readiness tape, maintance tape, presets tape cartridge, earphone, disdersant, system program cartridge, left & right signal cable, left & right console assembly, concentrage, primary plotter

**End Application:**

P 3c orion aircraft

**Electrical Power Source Relationship:**

Self-contained

**Internal Battery Accommodation:**

Not included

**Inclosure Feature:**

Multiple item w/housing

**Test Type For Which Designed:**

Fast time analyzer system

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

T228-a
