Wattage Rating:

0.500 watts

Product Name:

Close field probe

Special Features:

Each probe is calibrated and comes with a two-meter, rg-223 coaxial cable an sma (f) to type-n (m) adapter, and sma (f) to bnc (m) adapter

Functional Description:

Measures magnetic field radiation from surface currents, slots, cables and ics

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
