Test Probe-lead Assembly - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6625-01-538-4914

Wattage Rating:

0.500 watts

Product Name:

Close field probe

Special Features:

Each probe is calbrated and comes with a two-meter, rg-223 coaxial cable an sma (f) to type-n (m) adapter, and sma (f0 to bnc (m) adapter

Functional Description:

Measures magnetic field radiation from surface currents, slots, cables and ics

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:

A23900
