Overall Length:

9.220 inches

Overall Height:

1.970 inches

Overall Width:

4.760 inches

Electrical Power Source Relationship:

Operating

Internal Battery Accommodation:

Included

Indicator Type:

Light

Product Name:

Parascope mp wan analyzer

Special Features:

Operates up to 2.048 mbps multi interface test sets

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T263-c
