**Overall Length:**

17.500 inches

**Overall Height:**

7.000 inches

**Overall Width:**

17.750 inches

**Voltage In Volts And Current Type:**

230.0 ac

**Special Features:**

Quartz resonator transducer, interchangeable transducers, custom pressure ranges, full scale ranges from 15 to 1500 psi

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No
