Pressure Calibratio - Page 1 of 1

**Demilitarization:** 

No

Overall Length:
17.500 inches
Overall Height:
7.000 inches
Overall Width:
17.750 inches
Voltage In Volts And Current Type:
230.0 ac
Special Features:
Quartz resonator transducer, interchangeable transducers, custom pressure ranges, full scale ranges from 15 to 1500 psi
Shelf Life:
N/a
Unit Of Measure:
---
