Product Name:

Sliding short circuit

Special Features:

Frequency 0.9-18.0 ghz; connector lpc7, type n female and male; air line accuracy 56 db; a modular instrument

Functional Description:

A movable short circuited termination in a precision air line which is used in a variety of laboratory measurement applications; used to establish a reference plane in a transmission system; the calibration of vector network analyzers, vna

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
