Overall Length:

2.510 inches

Overall Height:

10.230 inches

Overall Width:

9.200 inches

Ac Voltage Rating:

240.0 volts

Frequency Rating:

Between 50.0 hertz and 60.0 hertz

Special Features:

Optiview series ii ethernet pro integrated network analyzer w/removable hard drive; 7 layer protocol analysis; snmp; traffic, physical layer testing of patch cords and cables; op temp 10 to 30 degrees c; 10/100 base tx

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T263-c
