**Overall Length:**

2.510 inches

**Overall Height:**

10.230 inches

**Overall Width:**

9.200 inches

**Ac Voltage Rating:**

240.0 volts

**Frequency Rating:**

Between 50.0 hertz and 60.0 hertz

**Special Features:**

Optiview series ii ethernet pro integrated network analyzer w/removable hard drive; 7 layer protocol analysis; snmp; traffic, physical layer testing of patch cords and cables; op temp 10 to 30 degrees c; 10/100 base tx

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

T263-c
