**End Application:**

Distributed common ground systems (dcgs)

**Special Features:**

Preprocessor interface for the intel 80960ca/cf, provides mechanical and electrical interface between the intel 80960ca/cf and various logic analyzers for real-time state analysis

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

T263-c
