## NSN 6625-01-556-0557

T263-I

Fixed Capacitance Standard - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6625-01-556-0557

End Application:
UH60-BL-ACK-HAWK
Product Name:
Fuel quantity probe simulator
Special Features:
Plugs into tank probe position on tank to provide a fixed capacitance for comparison to reading of probe; used on internal auxiliary fuel
transfer system (iafts)
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fila:
