Major Components:

Asme pressure tank; land shark air control; pressure gauge digital; port adapter 3mmx1/4nptf; port test plug 3mm; safety pop valve 75lbs; bushing, coupling, o-ring, hose, tube quick disconnects

End Application:

Mbitr test set

Inclosure Feature:

Multiple item w/housing

Test Type For Which Designed:

Mbitr; pressure test

Product Name:

Landshark pressure control system

Special Features:

Tm-10746b-oi-23, 6.27 land shark tank equipment page 6-28

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T228-a
