

View Online at <https://aerobasegroup.com/nsn/6625-01-566-6722>

Special Features:

Used for educational purposes; includes integrated design simulation and prototyping platform for circuit experiments; multisim schematic capture for spice simulation, pc-based virtual instruments for circuit prototype test and measure

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
