Width:

9.100 inches

Depth:

2.700 inches

End Application:

C-295 aircraft

Electrical Power Source Relationship:

Self-contained

Internal Battery Accommodation:

Included

Product Name:

Ifr6000 ramp test set

Special Features:

Operating temp: 0 degrees to 40 degrees c; storage temp: -20 degrees c to 71 degrees c; use: indorrs; battery: li ion

Height:

11.200 inches

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T228-a
