Product Name:

Agilent e82570 psg analog signal generator

Extra Long Reference Number:

E8257d opt 520, 007, 1e1, 1ea, unt, unw, unx

Special Features:

Frequency range from khz to 20ghz; analog ramp sweep; ultra low phase noise; am, fm, phase modulation, and lfoutput; narrow pulse modulation; high output power; step attenuator

Reference Number Differentiating Characteristics:

As differentiated by extra long reference number

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T320-j
