End Application:

Bix cross connect systems

Test Item Connection Method:

Direct coupling

Product Name:

Bix trunk access block

Special Features:

Bix trunk access block; 2 rj21x female to 2 qcb1x1a connector; for demarcation or testing point for main distribution terminal systems; networks

Material:

Plastic polystyrene case

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A537k0
