Circuit Current For Which Designed:

Dc

Scale Division Quantity:

5 single indicator single range

End Application:

MHU8-3D-/EA-ERIA

Indicator Type:

Dial w/pointer

Installation Design:

Panel

Scale Graduation Type:

Linear single indicator single range

Measurement Range:

-60.0/+60.0 amperes, dc single indicator single range

Special Features:

Reference data: to 35d5-3-8-41

Style Designator:

Round flush mtg

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A310a0
