Overall Length:

6.900 inches

Overall Height:

4.300 inches

Overall Width:

11.500 inches

End Application:

Gpete

Product Name:

Cage: high-resolution automated metallic tdr cable tester

Special Features:

75 micron cursor resolution; 16-bit digital sampling; up to 500 waveforms/sec; 2 gb storage; usb host/client; 10/100 ethernet; color led-bl
4.3 in; internet streaming; remote control; libraries: waveform, cable-type, configuration; functions: autofit; autoscan

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
