Overall Length:

4.300 inches

Overall Height:

2.165 inches

Overall Width:

1.535 inches

End Application:

Helicopter simulator

Product Name:

Ac voltmeter

Special Features:

One dial measures 0-130 volts and the other 0-75 amps; green arc normal range; yellow arc caution range; pointers both yellow; bezel black; dial black w/ yellow markings; 6 inch cable with connector attached

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23900
