Overall Length:

4.300 inches

Overall Height:

2.165 inches

Overall Width:

1.535 inches

End Application:

Helicopter simulator

Product Name:

Dc voltmeter

Special Features:

Dial measures 0-35 volts; green arc normal; yellow arc caution; radials and triangles fire orange; pointer yellow; dial black w/ yellow markings; bezel black; 6 inch cable with connector attached

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
