**Overall Length:**

4.300 inches

**Overall Height:**

2.165 inches

**Overall Width:**

1.535 inches

**End Application:**

Helicopter simulator

**Product Name:**

Dc voltmeter

**Special Features:**

Dial measures 0-35 volts; green arc normal; yellow arc caution; radials and triangles fire orange; pointer yellow; dial black w/ yellow markings; bezel black; 6 inch cable with connector attached

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23900
