Overall Length:

10.300 inches

Overall Height:

2.500 inches

Overall Width:

9.200 inches

Ac Voltage Rating:

Between 120.0 volts and 240.0 volts

Frequency Rating:

Between 50.0 hertz and 60.0 hertz

Electrical Power Source Relationship:

Operating

Internal Battery Accommodation:

Included

Product Name:

Optiview series iii integrated network analyzer

Special Features:

Pro gigabit with removable hard drive and opvs3-ipv6 analysis option; lcd touch screen, 800x600 pixels; 16 led indicators; lithium ion 11.1 vdc, 2ah internal battery; lithium ion 11.1 vdc 6ah external battery; with external ac adapter battery charger, dc output 15v, 4.0 a

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T263-c
