Mounting Type:

Rack

Overall Length:

450.0 millimeters

Overall Height:

133.0 millimeters

Overall Width:

429.0 millimeters

Product Name:

Rf/microwave signal generator

Extra Long Reference Number:

Mg3692b/01a/016/015a/022/005/sm4743

Special Features:

Opt 1a rack mount kit; opt 016 high stability time base; opt 015a high power output; opt 022 audio frequency coverage; opt 005 rf coverage with analog down conv.

Reference Number Differentiating Characteristics:

As differentiated by extra long reference number

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T320-j
