

View Online at <https://aerobasegroup.com/nsn/6625-01-594-4301>

Special Features:

Tuning and sweep accuracy; low profile 1u rack; variable reference levels; center frequency tuning; variable span width; variable sweep rate; video bandwidth filtering; zero span; 5 resolution bandwidths 3mhz to 10khz; coupled and uncoupled rbw selection mode; multiple input options, waveform mask alarm feature; ethernet ready; internet ready; alarm triggered event triggered recording; playback even cues; user defined averaging and mean filter features; 6rf input; 1-2500 mhz frequency coverage; 0-500mhz/variable span width

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
