Calibration Type:

Dc voltage and peak to peak voltage

Product Name:

Fluke 9500b oscilloscope calibrator

Special Features:

9560 active head, 6ghz x/70 ps pulse risetime w/pulse capability.Used with fluke 9500b/3200af oscilloscope calibrator (6625-01-497-2540).

Technical reference found on page 11 of fluke calibration manual.

Material:

Plastic

Material:

Plastic

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T263-b
