Overall Length:

1.375 inches

Overall Height:

4.0 inches

Overall Width:

7.5 inches

End Application:

5895-01-556-1797

Component Type And Quantity:

1 module

Product Name:

Dialed digit meter

Special Features:

Battery powered; portable; temp range 0 degrees - 60 degrees c

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A5110
