NSN 6625-01-622-2543

Multimeter - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6625-01-622-2543

Special Features:

Shelf Life:

Fiig: A310a0

Dcv basic accuracy; vacuum fluorescent display; 11 measurement functions	; 10 math functions; high resolution; temperature
measurement (rtd and thermocouple) from -200 degrees c to 1820 degrees c	up to 2400 readings data transmission speed; usb, rs-232c
and digital i/o interfaces	

N/a
Unit Of Measure:
Demilitarization:
No
