Overall Length:

3.40 inches

Overall Height:

2.70 inches

Overall Width:

2.50 inches

End Application:

Boat, patrol

Indicator Type:

Dial w/pointer

Installation Design:

Panel

Dial Scale Marking Color:

White single indicator single range

Background Color:

Black single indicator single range

Pointer Color:

Red single indicator single range

Measurement Range:

+16.0 to 32.0 volts single indicator single range

Product Name:

Voltmeter

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A310a0
