**Overall Length:**

2.75 inches

**Overall Height:**

0.300 inches

**Overall Width:**

0.625 inches

**End Application:**

Tactical unmanned aircraft system (shadow)

**Product Name:**

Buss bar

**Special Features:**

Nha: 68629-42300 used on: tuav

**Precious Material And Location:**

10to 20microns gold

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A515c0
